ABOUT US

C & L Supplies LLC is a minority- and woman-owned small business committed to providing reliable, high-quality solutions to our government and commercial partners. We pride ourselves on professionalism, integrity, and responsiveness, delivering dependable service while meeting the highest standards of compliance and performance.

CORE CAPABILITIES

C & L Supplies LLC is a U.S.-based small business supplier providing reliable, cost-effective commercial off-the-shelf (COTS) products to federal, state, and local government agencies. We also support agencies with commercial software and general IT solutions, including technology enablement and AI-enabled tools such as automation, system building, data analysis, software development and decision-support solutions, while maintaining a strong focus on security, data security, and contract compliance. We source and deliver high-quality supplies through a responsive, compliance-focused procurement process designed to meet government requirements efficiently and on time.
